

You can use this reindeer graphic to put at the top of your "Working Together"/Reindeer Games behavior monitor.

Here are some sample "gifts" that you can cut out and tape to your bean bags (or if you don't have any bean bags, to soft nurf type balls or ping pong balls). I suggest you laminate the pictures for durability. Also, depending on the students in your class you may want to make more than one copy if you think you'll have several students that want a cell phone or a puppy! ☺
